I suggest joining local Facebook groups such as McCamey Trading Post, Dust Bunny Treasures, and McCamey Dust Bowl 2.0. Rankin Message Board could also have rentals posted (Rankin is a 20 minute drive from McCamey). In the groups you could also post your own listing, like "ISO: one bedroom apartment/house/trailer" then add your contact information. Sometimes owners don't put out ads, but they may reply to your post if they have an opening coming up.
